

THE SPOT IN RAS SUDR

The long coast makes a sweep upwind of our main center, creating a kind of bay and stretching in from of a sand bank around 1km further into the sea. This characteristic has two advantages: firstly, the wind can blow unhindered and side shore over the wide sandy beach without gusts or swirls. Secondly, flat water with light to medium chop provides pure freeride and freestyle fun. Another big plus is a shallow water area (depending on the tide), which spreads 1km out to the sea. Stones or corals are rarely found here. The windsurfing and kitesurfing zone at the Sinai Stars Resort are separated. The rescue boat takes care of safety at the spot. The second center at the Hotel Green Sudr is at a huge natural lagoon which has waist deep flat water all over, and is an optimal learning environment. Here the wind also blows constantly and without disturbance. The beach in front of the center offers plenty of space for safe launching and landing of kites. However the space on land is limited. To ensure the quality of the spot we limit the maximum amount of guests. Furthermore the use of the lagoon is restricted to the tide fluctuations, as the lagoon has almost no water during low tide. In this case the main center at Sinai Stars Resort is used as an alternative. We don't offer windsurfing rental at Green Sudr, however windsurfing beginner lessons are available.

WIND AND WAVES

The wind blows side shore to side-offshore and picks up during the morning until it reaches a peak around midday. In the late afternoon the wind normally calms down again. Due to a moderate breeze and flat water, the early mornings and late afternoons offer perfect beginner conditions.

THE CENTERS

The main Club Mistral & Skyriders center is located upwind of the premises of the Sinai Stars Resort. The beach bar of the hotel is right next to the center. The second center is situated at the Green Sudr Hotel, around 15 minutes walking distance upwind of the main center. We offer a free shuttle service between the two centers, going back and forth several times a day.

Green Sudr Resort I ★★★★★

The Green Hotel is probably the best alternative accommodation in Ras Sudr right now. Although not much better than the Sinai Stars Hotel in terms of quality and service, you can expect a little more than only a bed and a shower. The hotel itself has a nicer appearance. The walking distance to our main Club Mistral & Skyriders Center is 20 minutes along the beach.

1 week DBL/HB incl. flights, transfers & visa from 655 EUR per person

Sinai Stars Resort I ★★★★★

The Sinai Stars Resort is overdue for a makeover and only the right choice if you prefer to stay as close to the spot as possible, and if you have no requirements for service and quality whatsoever. It is the right place if you focus on wind- or kitesurfing only and just need a bed and a shower. We still try our best in co-operation with the local management to effectively improve the standard of the hotel.

New information about the hotel status will be posted on our website and published regularly in our newsletter.

1 week DBL/HB incl. flights, transfers & visa from 625 EUR per person
